Head Lice

Recently, cases of head lice have been identified across the school and we wanted to make sure you were kept informed.

Whilst lice are nothing more than a nuisance, it is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they are allowed to spread.

Here is some simple advice you may wish to follow to keep head lice outbreaks to a minimum.

- Check your child's hair once a week.
- Use a proper detection comb – with teeth no more than 0.3mm apart to trap head lice. The comb is usually white in colour so that lice can be easily identified.
- If you find live lice, consult a pharmacist to check the whole family.

Further advice on the treatment of head lice can be found on NHS website. <http://www.nhs.uk/conditions/head-lice/pages/treatment.aspx>

Thank you for your co-operation.

Attendance

As we continue to prioritize the health and well-being of our students, we encourage you to check the NHS guidance on whether your child is too ill for school.

This resource can help you make informed decisions about when your child should stay home to recover and when it's safe for them to return.

For more information, please visit the NHS website - 'Is my child too ill for school?' or reach out if you have any questions.

Places for Reception September 2026

We still have Reception places available for September 2026 - apply now to join our welcoming and vibrant school community. Contact the school office on 01625 466833 for more information.

Additionally, we have Nursery spaces available for 3 and 4-year-olds who will start Reception in September 2027.
