Our Christian Value this half term is:
PEACE

Safeguarding

This week PCSO Jim Newns conducted Christ The King school parking patrol on Fir Grove and Robin Hood Avenue to ensure people picking up children were driving and parking safely and responsibly.

Please remember, no parking on junctions, blocking pavements, parking across drop down curbs, driving up people's driveway and parking outside the school gates.

Remember safe parking safe kids.

Keep up the safe parking and driving around the school.

Attendance

Punctuality Matters

The table below shows some of the impact of missed school whether through days off or being late to school. Time out of school has a far bigger impact than you may realise.

For example you may think that 90% attendance is good but that is 19 days lost. Likewise, arriving 10 minutes late every day is the equivalent of missing 32.5 hours or 6.5 days in a school year.

Amount	mins late	Hours missed by end of year	School Days lost
1 Late per week	10	6.5 Hours missed	1.3 days
2 Lates per week	10	13 Hours missed	2.6 days
3 Lates per week	10	19.50 Hours missed	3.9 days
4 Lates per week	10	26 Hours missed	4.2 days
5 Lates per week	10	32.5 Hours missed	6.5 days
