May 3–9 is Children's Mental Health Awareness Week

The theme for this year's Children's Mental Health Week is **This is my Place.**

That means feeling like you're part of something, such as your family, your school, your group of friends or a team. These happy moments help us feel connected, valued, and accepted. When we feel like we belong, we feel happy, safe, and ready to learn and play. It helps us grow strong in our minds and bodies, and it makes it easier to make friends, do well in school, and feel good about ourselves.

Our mental health flourishes when we feel connected and valued. When children and young people have a strong sense of belonging, they feel more confident, develop resilience, build stronger relationships and experience less anxiety and loneliness.

Attendance

Being late by just a few minutes adds up.

When a child arrives late to school it can be very disruptive to your child, the teacher and other children in the class. If your child arrives late to school they will be marked as late on the register. If your child arrives very late, the child will be marked as an "Unauthorised Late" - This is the same as an Unauthorised Absence.
